

CONTRACTOR REGISTRATION APPLICATION

The Monroe Elementary School District has elected to become subject to the California Uniform Public Construction Cost Accounting Procedures. The District is inviting all licensed contractors to submit information for inclusion on the District's list of qualified bidders for the **2022** calendar year.

We launched a web-based prequalification process in December. To apply for prequalification go to: (url)

2. SB 854 became effective July 1, 2014, and requires contractors to register with the Department of Industrial Relations prior to bidding on public works projects. This registration does not fulfill that requirement.

The Monroe Elementary School District may create a new contractors list effective January 1st of each year and may include any contractor's name it desires on the contractors list, but must include, at a minimum, all contractors who have properly provided the School District with the required information, either during the calendar year in which the list is valid or during November or December of the prior year. The list will automatically include all contractors who submitted one or more bids to the School District during the preceding year. A contractor may have their firm added to the School District's contractors list at any time by providing the required information.
